Coaches Corner!!

"You have to hate to lose, more than you love to win!" What a great job the Pee Wees' did against our rivals! No one thought they could do it, but the team and the coaches believed, and they got the job done. Eligha Netzer with two interceptions; Palani Adams with a great hit and Logan mayer was taking on the Roughrider's offensive line. Let's stay focused, take care of SWAC, and go into the playoffs with all the momentum!!

Coach Tony

Sweet Pea's...

We got off to a slow start scoring only 6 points in the first half of the game. Then we came out and showed Puyallup what the Valley Wolfpack Sweet Pea's are all about...business! That's right we took care of business and scored 13 more points to shut out the Roughriders 19-0 final score! Our defense is unstoppable... bangin all day long!!

Its time to get focused for playoffs and then championships but before that we need to finish the regular season by taking care of SWAC this Sunday!!!

Once again...thanks to our cheerleaders for their continued support!!

Coach Jeff

Note from Team Mom...

Year end Sweet Pea party tickets on sale now for \$20 for immediate family only. If you would like extended family friends to come it is an additional \$5.

Thank you!

89'rs...

Note from Team Mom....

Please see me to order sweatshirts/t-shirts for your 89'r player. I am also collecting \$10 per player for our coach's gifts.

Also, Coach Cozzi is asking that **ALL 89rs turn in their uniforms immediately after the game this Sunday against SWAC**. Please bring a full change of clothes for your child.

Thank you!

Wolfpack Bantams Secure #1 Seed

On Sunday, October 23rd, the Wolfpack Bantams secured the #1 seed for the playoffs in this years SPSJFL. The victory came against the Puyallup Roughriders in a 12-6 double overtime defensive thriller.

A 0-0 tie after regulation play led to an exciting finish. The Wolfpack quarterback Kalu Stricklin found receiver Jordan Cozzi in the back of the end zone for the first score of the game. Running back Tre Weed came up short in the extra point attempt. 6-0 Wolfpack. The Roughriders answered with a scampering score of their own, but fell short of the victory when their extra point kick bounced off the crossbar. 6-6 tie.

The Roughriders had a second chance at a touchdown fail when the Wolfpack defense held on fourth and goal, causing the Roughriders to turn the ball over.

The Wolfpack then put the ball into the hands of Tre Weed who powered in for the score and the upset victory over the Roughriders.

Once again we would like to thank the best fans and cheerleading squad in the entire SPSJFL for all their support.
